

Dear Friends,

October 8, 2017

We are praising the Lord for giving us a safe trip to Tidioute, Pennsylvania to celebrate the 75th anniversary of the Tidioute Baptist Church. We had a great Sunday!! Jim spoke in Sunday School and preached in the morning service. Then we enjoyed a wonderful meal and a time of fellowship -- after which we returned upstairs and Jim preached the final service.

This coming week we are traveling further east to take care of some business and also visit some friends and supporters before returning home to Missouri. We appreciate your prayers for us as we travel.

A few prayer requests: 1-For the Lord to show us the man of His choosing to be the next pastor of Cool Springs Baptist Church; 2-For Jim to be able to cope with his tinnitus (ringing in his ears); and 3- For Jim's hand to heal completely. Jim's hand was hit by a falling file cabinet last week resulting in a very large hematoma on top of his right hand. The doctor said it could take a whole month to heal. He is being careful to elevate it often, use ice packs, and soak it in warm water with Epsom salt. But a deep bruise like this can be dangerous - so we would appreciate your prayers. Thank you!!!

We appreciate each of you and trust the Lord to bless you as you continue to serve Him faithfully.

Sincerely,
James & Rebecca Storey
